Dance Master Class introduces Giovane Danza!!

For younger students who are passionate about dancing and who wish to rapidly improve their skills. Now there is an intensive program to provide summer challenges in a friendly and nurturing atmosphere.

**The course takes place from 1 - 21 July in Urbania, Le Marche, Italy.**

Our junior dance course is geared to dancers 6-12/13 years of age. Divided into two levels/ age groups, lessons are held each weekday and include ballet and/or jazz, a floor barre twice weekly plus the option of studying a language (English or Italian) if desired.
